

Spread the love in more than one way this Valentine's Day! Our specially made Valentine's cards are \$20 for 25 or \$10 for 10, and your donation WILL also be matched by a generous donor, so if you decide to purchase 25 cards, you will be helping us raise \$40! 65 million girls are being denied basic education, but an educated girl breaks cycles of poverty, early marriage and earn higher wages. We are passionate about empowering girls in Ghana and helping them to achieve their full

potential. Create Change is a non-profit charity organization which not only provides an education for girls in Northern Africa but also gives leadership and volunteering opportunities to local youth. Together we are redefining charity!
